

REPAIRS FORM

Please complete the Customer Details Form below and then print this entire document. Place copy of the Customer Details Form inside your package and then attach the Packaging Slip to the front of your package.

Customer Details Form

Customer Name

Contact Telephone Number

Email Address

Return Address

Please detail all problem(s) with the item(s) being sent:

If we have already quoted you for a repair please provide the amount below:

Packing Guidance

We recommend that you place your item(s) in a suitable polythene bag or bubble wrap, then place the items in a strong cardboard box with appropriate wrapping around the item(s) to prevent any movement or further damage in transit.

We also recommend that you use a postal service with adequate insurance cover for the item(s) being sent, such as a special delivery service.

Packaging Slip

**Cole Camera Repairs,
29 Old Church Road,
Uphill Village,
Somerset,
